

Our secrets, your possibilities

One often hear “Been there, done that”. Why not surprise your traveler with a destination where traditions, food culture, nature and modern living melt together to a positive surprise.

A country that is old and new, medieval and modern at the same time. A mix of history from way back to the history that we are creating, right here, right now.

We will give you the latest news, updates and unique selling points that you need for creating future trips to Estonia. We will present Estonia [the #EstonianWay!](#)

After the presentation there will be a lottery where YOU can win a trip to Tallinn for 2 persons among other nice prizes. A special thank you to Hilton Tallinn Park, Nordic Hotel Forum, Radisson Hotel Group and Air Baltic.

Welcome!

Visit Estonia in cooperation with Estonian partners and the Estonian Embassy in Norway.
